Save Your Box Tops

Just a reminder that we are still collecting Box Tops at ECLC. Each box top is worth 10 cents! Ask friends, neighbors, and family members to save them for our school. Clip them and send them to school with your child. Room 101 trims, counts, and bundles them for our parent coordinator, Debbie Caradonna. She ships them off and we get a check in return that enables the school to purchase extras for our students.

Please Save Your Pop Tabs

Room 103 is collecting pop tabs to help raise money for Ronald McDonald houses worldwide. A Ronald McDonald House is a home-away-from-home for families so they can stay close to their hospitalized child at little or no cost. Collecting the pop tabs is a great way to teach our students about caring for others and the importance of recycling while raising funds to help children and their families.

Thank you for your help!

Photos of the Week

ECLC hearts were exploding as students created pop-up Valentine’s Day cards.
Students in Room 101 thoroughly enjoyed learning about amazing animals with National Geographic Kids magazine. They followed up with a round of animal bingo.

Room 102 conducted an experiment involving the mixtures of Pepsi/Coca Cola and vinegar. The vinegar diluted the Pepsi and the students saw the colors compound. It was a cool learning experience!
Dribbling, shooting, and passing the ball were just some of the things the students worked on during Mrs. Dovlatyan’s Basketball Skill Days. Everyone had a great time, and the students all received a special certificate for participating.
