Save Your Box Tops

Just a reminder that we are still collecting Box Tops at ECLC. Each box top is worth 10 cents! Ask friends, neighbors, and family members to save them for our school. Clip them and send them to school with your child. Room 101 trims, counts, and bundles them for our parent coordinator, Debbie Caradonna. She ships them off and we get a check in return that enables the school to purchase extras for our students.

Please Save Your Pop Tabs

Room 103 is collecting pop tabs to help raise money for Ronald McDonald houses worldwide. A Ronald McDonald House is a home-away-from-home for families so they can stay close to their hospitalized child at little or no cost. Collecting the pop tabs is a great way to teach our students about caring for others and the importance of recycling while raising funds to help children and their families.
